

Neal D. Crispin

Chairman of the Board and President of AeroCentury Corporation and JetFleet Management Corporation (JMC)

Prior to forming JMC in 1989 and AeroCentury Corp in 1998, Mr. Crispin founded a group of companies engaged in corporate finance, after working as a management consultant and Certified Public Accountant. He received a Bachelor's Degree in Economics from the University of California at Santa Barbara and a Master's Degree in Business Administration from the University of California at Berkeley.
